WHY ME?

With 7+ years of customer-facing experience, including within SaaS, I am adept at running successful renewal sales cycles. I've demonstrated an ability to generate referral pipelines, qualify and identify expansion opportunities, and possess strong negotiation skills. I am driven to grow within a fast-paced environment and am eager to bring my organizational and collaborative skills to any team.

WORK EXPERIENCE

ENTERPRISE CUSTOMER SUCCESS MANAGER

Connecteam — 11/2025 - Present

- Owned and retained a $2.15M enterprise portfolio of 30 clients, driving a 105% Net Retention Rate (NRR) and 96% Gross Retention Rate (GRR) by identifying expansion opportunities, executing strategic account mapping, and partnering with cross-functional product teams to deliver tailored feature adoptions.
- Secured 99% logo retention across high-value enterprise accounts, leveraging data-driven success plans to mitigate risk and solidify long-term renewals
- Increased platform adoption by 35% within targeted accounts by architecting custom integrations using API's that embedded the software into client tech stacks
- Trimmed technical delivery timelines by 15% for key data-migration initiatives by designing scalable internal tooling and process frameworks for both Customer Success and Professional Services.

ENTERPRISE CUSTOMER SUCCESS MANAGER

MDF Commerce — 10/2023 - 11/2025

- Owned and retained a $2M ARR book of business across 50 accounts, driving renewals, adoption, and expansion.
- Achieved 97% GRR and 110% NRR through strategic account planning, customer health management, and churn-risk mitigation.
- Drove $150k expansion ARR through account mapping, stakeholder engagement, and cross-functional product partnerships.
- Also increased onboarding of Mid-Market accounts 300% by scaling 1:1 sessions into monthly webinars supporting 30+ customers.

ACCOUNT MANAGER / CUSTOMER SUCCESS MANAGER

Gresham & Myers — 06/2020 - 10/2023

- Developed and executed strategy to create relationships with vendors and retailers resulting in $50K+ new ARR
- Implemented Quarterly Business Review process focused on upselling, cross-selling, and renewals leading to a renewal rate of 90%+ each year
